Fire Station Restoration Fund

Engine #22 Firehouse at Armitage & Larrabee needs your help. The kitchen area is 36 years old and is being renovated now!

State funds have been secured to build the structure of the kitchen, but neighborhood help is needed to buy appliances, cooking utensils, tables and chairs, etc.. These firemen are very involved in neighborhood activities as well as protecting us 24/7. Let's help them.

Your Lincoln Central Association is coordinating the effort for this neighborhood.

I will support the firehouse restoration fund with a check for:

\$500 \$250 \$100 \$50 \$25 other

Make all checks payable to: *Engine 22 Restoration Fund* and mail to:

Lincoln Central Association

P.O. Box 14306

Chicago, IL 60614-0306

Any extra funds will go towards the living areas in and parkway around the fire station.

I am not a member of Lincoln Central Association and have enclosed an additional \$25 for a 1-year membership.
